OFFICE OF LEGISLATIVE COUNSEL

Saturday - 4 February 1967

25X1 1. [ ] William Bader, Senate Foreign Relations Committee staff, called and asked that I express to Mr. Warner and Mr. Helms his appreciation and that of Senator Albert Gore for the very excellent presentation given by the Director and Mr. Duckett before the Senator's Disarmament Subcommittee yesterday afternoon. He said he was sure the Senator would express himself in other ways on this, but he wanted to let us know immediately of their appreciation.

25X1 2. [ ] Colonel Robert C. Hixon, Executive Officer to John T. McNaughton, Assistant Secretary for International Security Affairs, Department of Defense, called concerning the appearance of Deputy Assistant Secretary of Defense Cyrus Vance before the Senate Foreign Relations Committee next week. I discussed this with the Director who subsequently spoke directly with Mr. Vance regarding his testimony before Senator Gore's Disarmament Subcommittee.

25X1 3. [ ] George Murphy, Joint Committee on Atomic Energy staff, called to advise me of the results of the security review of the transcript of the Livermore and Los Alamos Laboratories briefings. Murphy said that following the AEC and CIA reviews there was only a brief portion of the transcript which remained unclassified and this isolated portion was not useable as such. Murphy said Senator Pastore was advised of this and it appeared that there would be nothing further on it. [ ]
